Office of the Maritime Administrator

- TO:** ALL SHIPOWNERS, OPERATORS, MASTERS AND OFFICERS OF MERCHANT SHIPS, MOBILE OFFSHORE DRILLING UNITS AND AUTHORIZED CLASSIFICATION SOCIETIES AND DMRI REGIONAL OFFICES
- SUBJECT:** PROCEDURES FOR APPROVAL OF AMENDMENTS TO SHIP SECURITY PLANS
- REFERENCE:**
- (a) SOLAS, Chapter XI-2
 - (b) ISPS Code
 - (c) Dominica Marine Safety Circular no. CD-MSC 05-04
 - (d) Dominica Marine Safety Circular no. CD-MSC 08-04
 - (e) Dominica Marine Safety Circular no. CD-MSC 11-04
- ATTACHMENTS:** List of Recognized Security Organizations authorized to conduct an ISPS verification and issue a short-term ISSC
- PURPOSE:** The purpose of this Safety Circular is to provide information and guidance to the Owners and Operators of Dominica flag ISPS vessels, regarding approval of amendments to Ship Security Plans
- APPLICABILITY:** Dominica flag ISPS vessels – meaning vessels engaged on international voyages, as follows:
- a) passenger vessels, including high-speed passenger craft;
 - b) cargo vessels, including high-speed craft, of 500 gross tonnage and upwards; and
 - c) mobile offshore drilling units.

PROVISIONS:**1 Changes in Ship Security Plans**

- 1.1 All the changes in the provisions of Ship Security Plans are required to be approved by this Administration, or an authorized Recognized Security Organization (RSO) acting on its behalf¹, prior to their implementation onboard the vessels.

¹ Up until the date of publication of this Safety Circular only American Bureau of Shipping has been authorized to review and approve Ship Security Plans on behalf of this Administration.

- 1.2 This Circular prescribes only the procedures to be followed when having the Ship Security Plan amendments approved by the Office of Deputy Maritime Administrator. The fees and procedures of the RSO, acting on behalf of this Administration, when approving amended Plans, are regulated by the RSO concerned.

2 Submission of the amendments

- 2.1 Revised Plans need to be submitted to the Office of Deputy Maritime Administrator, Commonwealth of Dominica, 32 Washington St., Fairhaven, Massachusetts, 02719 USA, at least in electronic form, together with the Ship Security Assessments they are based on, if also amended.

3 Approval of the amendments

- 3.1 Approval of the amendments to the Ship Security Plan is granted in the form of a letter with the attached stamped and signed Revision / Amendment Record and/or the cover pages of the Plan / Assessment.

4 Re-issuance of the Certificate

- 4.1 The International Ship Security Certificate needs to be re-issued for the vessel, if the amendments to the Plan included any of the following:

- .1 change of vessel's name
- .2 change of gross tonnage
- .3 change of vessel's type / purpose
- .4 change of Operating Company.

- 4.2 Upon the approval of the amendments to the Ship Security Plan, where any of the changes referred to in section 3.1 above, points 1 through 3, were made, vessel's International Ship Security Certificate is replaced with one reflecting the respective changes, valid for the period of time the Certificate being replaced was valid for.

- 4.3.1 Where the amendments to the Ship Security Plan include the change of Operating Company, the Certificate held by the vessel is replaced immediately upon receipt of amendment approval request, with the Interim International Ship Security Certificate valid for two months.

- 4.3.2 Upon approval of the amendments to the Ship Security Plan, referred to in section 4.3.1 above, a full-term International Ship Security Certificate is issued for the vessel in accordance with Dominica Marine Safety Circulars nos. CD-MSC 05-04 and CD-MSC 11-04, unless the verification, referred to in section 5.1, is required.

- 4.3.3 When a verification, referred to in section 5.1, is required for the new Operating Company, a full-term International Ship Security Certificate is issued upon receipt of satisfactory report of that verification.

5 Additional verification

- 5.1 It is in the Administration's discretion to decide whether an additional verification should be required upon approval of the amendments to the Ship Security Plan to verify implementation thereof onboard the vessel and/or in the Company.
- 5.2 A verification, referred to in section 5.1, shall be required especially, when the approved amendments included the following:
- .1 changes in restriction areas designation;
 - .2 introduction of new and/or changes in the existing security measures;
 - .3 changes in procedures for interfacing with port facilities and/or other vessels;
 - .4 introduction of new and/or changes in the existing security systems and equipment (including the communication systems and equipment).
- 5.3 A verification, referred to in section 5.1, may be conducted by this Administration's flag State inspectors or by one of the Recognized Security Organizations, the list whereof is provided in the Attachment to this Circular.

6 Fees

- 6.1 The following fees, payable upfront, are applicable for the services of the Office of the Deputy Maritime Administrator:
- .1 50.00 USD for review and approval of each amended section of the Ship Security Plan, but no more than 500.00 USD, or
 - .2 50.00 USD for review and approval of the following amendments to the Ship Security Plan:
 - .1 change of vessel's name and/or particulars
 - .2 change of Company and/or Company Security Officer
 - .3 change of Owner;regardless of number of sections affected; and
 - .3 150.00 USD for review and approval of Ship Security Assessment;
 - .4 150.00 USD for issuance of the Approval letter;
 - .5 150.00 USD for issuance of each new ISSC, if necessary.
- 6.2 Fees and charges by Recognized Security Organizations for their verification surveys on behalf of the Office of the Deputy Maritime Administrator are set by the RSOs concerned.
